NOTES FROM THE STAFF

Some Great News!

Then Jesus said to his disciples, "The harvest is plentiful, but the laborers are few; therefore pray earnestly to the Lord of the harvest to send out laborers into his harvest."

Matthew 9:36-37

Our church body, like most others, is facing a crisis of sorts. Fewer young people are pursuing church work careers. That means fewer pastors to fill vacancies, not nearly enough synodically trained Lutheran School Teachers (LST), too few Directors of Christian Education to lead the church education programs in ways that best connect to the people, and not enough Directors of Parish Music (DPM) to guide the music ministry in our churches.

Wait a minute. That sounds like bad news. Wasn't this to be about some GREAT news?

Yes, it is. And here is that GREAT news. Over the last 8 years, we have had 8 members of our congregation pursue church work! That's right, EIGHT!

Courtney Burma Limmer – DCE 2016

Allison Mackie – DPM 2019

Paige Stadler Esser – LST 2019

Grant Stadler – LST 2022

Allison Story Wagner – DCE 2023

Michelle Hernandez – DCE Fall 2024

Joel Ripke – SMP Pastor – Ordination Spring 2025

Jacob Morse – Pre-Seminary – Estimated Ordination 2028

We thank God for these workers in His harvest, for their parents and teachers, and for this congregation for the support they have shown and continue to show!

And to the young people of our congregation: I encourage you to consider being a church worker, whether a Pastor, DCE, DPM, Teacher, Deaconess, or some other position in the church. It is a wonderful calling!

To God be the glory today and forever more!

In His Peace,

Pastor Cory Buema

During the summer, men (and young men) are invited to Hwy 14 for our Bibles, Burgers, and Beer study. We meet for food at about 6:30 followed by Bible study every Thursday evening in May (Wednesday evenings starting in June). This study looks at the life of David, in 1 & 2 Samuel, and connects it to how we might live as men after God's own heart. Burgers and beer are optional, but make sure you bring your Bible. For more information, contact Pastor Cory at cburma@peacecolumbus.org. There will be no BBB study on May 9th!

A Psalm to Encourage You

By Tracy Buzynski

I opened my Bible to this Psalm today...

"With dread deeds and awesome power You will defend us from our enemies, O God who saves us. You are the only hope of all mankind throughout the world and far away upon the sea.

He formed the mountains by His mighty strength. He quiets the raging oceans and all the world's clamor. In the farthest corners of the earth the glorious acts of God shall startle everyone. The dawn and sunset shout for joy!" Psalm 65:5-8

My thoughts to God

How did I forget again, that You made the mountains? That You quiet the raging seas? You will defend us from all the storms of life. I just need to invite You into my situation.

There is a clear pattern of Your help, when I look back on my life, even when I wasn't always listening. You are always with me. I get encouraged reading how all creation is shouting for Joy for YOU!

MINISTRIES

Comfort Dog Ministry

What's happening...

In the past month, Team Eden has been very busy with requests for special visits to an assortment of situations. On April 3rd, Team Eden was asked to attend a site visit to Our Savior Lutheran Church in O'Dell, NE for the funeral service of one of its members. Teams Katie, Phineaus, Nico, and Joanne were also present to offer comfort and to be a presence for the family and community. The next event, on April 5th was a special presentation made to a group of seniors for the United Methodist Church at the Senior Center. An explanation of the Comfort Dog ministry was made and followed by a question and answer session with the group. The busy month continued on April 6th with Team Eden traveling to Lincoln to visit with members of the 155th unit of the Air National Guard. Time was spent with both enlisted members and officers.

The next week began on April 8th, with a visit to St. Bon's Daycare School. Eden and her team visited four classrooms and interacted with their students and teachers. We explained Eden's job in our community along with her daily care. Everyone was excited to hear Eden's story and pet her.

On April 18th, the James Rickert family invited Team Eden to be present for Jim's funeral service. The grandchildren and great grandchild were comforted by Eden's presence.

Finally, on Saturday, April 20th, Team Eden was invited to the YMCA for their Healthy Kids Day. Eden was able to meet many children and their parents at this event.

Eden's regular monthly visits were also completed to the Immanuel Lutheran School, Brookestone Acres, Emerald Care, Real Life, Cottonwood, Prairie Village, and Columbus Community Hospital.

Blessings, Warren Hellbusch and Team Eden

MISSION OF THE MONTH

Seeking to put God's love into action, Habitat for Humanity brings people together to build homes, communities and hope.

The members and friends of Peace Lutheran have the opportunity to help Loree and her four children own a home. Our build day for House 16 is just around the corner on June 1st.

Prayerfully consider joining us this year. No technical or building skills are needed. You are put to work at your own skill level. There is a sign-up sheet on the information table or you can call or email the church office for more information or to sign-up. This is a wonderful time of working together to accomplish much. Thank you in advance for helping this family in our community.

Lutheran Laymen's League News

A meeting of the active LLL members was held Monday, March 18, 2024. In attendance were Chopper Sieh, Rich Aerni, Virg Gellermann, Steve Mackie and Ron Cattau.

The reason for the meeting was to discuss the future of the LLL here at Peace. Because of the low number of members, we cannot function as a club in planning and carrying out activities as before. Do we dissolve the club or keep the club open and support LHM in any way we can, such as the pamphlet ministry and the Orphan Grain Train collection? It was decided on the latter option. In the future, unless we get more participation from the congregation with new members, we will be limited in what we can do.

Therefore, we are going to sponsor the Orphan Grain Train collection trailer on the weekend of May 11th and 12th. We will need to ask for help in manning the trailer. Available shifts are: Saturday, May 11th – 9am-11am (filled), 11am-1pm, 1pm-3pm, and 3pm-5pm. Sunday, May 12th – 10am-11am, 11am-1pm, 1pm-3pm, and 3pm-5pm (filled). Please contact Chopper Sieh or Ron Cattau if you can help.

MAY WORSHIP SERIES

As the Resurrected Jesus was preparing to ascend into heaven, He told the disciples, "I am with you always, even to the end of the age." During the month of May our services and sermons will be exploring how Jesus was with the disciples as He was using them to form His church, and how He is STILL with us always, amidst our doubts, during our highs and lows, sharing His hope, or standing strong in the faith. We hope to see you each week!

Cundiff Family Update

Working to expand English offerings in Rīga

Dear friends in Christ, Greetings to you in the name of our risen Lord, Jesus Christ! We were grateful for the chance to gather with the other missionary families and some other English-speaking guests for the Easter service at St. John's in Riga.

The missionaries here in Riga are moving forward with plans to bolster the English language mission work going on in the city. We have previously been holding services twice a month, but we have added a 5th Sundays now and are looking to expand further. In order to truly plant a congregation, consistency is key. The difficulty that we face is that the Lawsons are currently on home service, and when they get back, we will be going on home service, and the Rajeks will be heading back to the US as Rev. Dr. Rajek moves into his new position as Executive Director of the Office of International Mission. This means that we will be a bit shorthanded while trying to fulfill our larger responsibilities with the Academy. As such, we will start weekly English services in August when everyone has returned to Riga.

I recently heard from a young man earlier this year who had stopped in for worship while he was traveling; he went home and has become more engaged with our faith and has gotten involved in a mission effort that the LCMS is starting in his home country as well. Further, after our Easter Sunday service, I was approached by a young man who is here for medical school asking to learn more about our faith and desiring to grow as he is able to worship with us in English. One never knows the impact that a single conversation or a few minutes of interaction can have! Of course, we desire more than just a few moments and hope to connect all people with our Lord through Word and Sacrament ministry! Please continue to pray for the outreach of the mission here in Riga, not only with our students at the Academy, but also through the English services as well.

In Christ's Service, Pastor Cundiff

OPPORTUNITIES TO SERVE

Communication Update Texting & More...

Technology has changed how we connect with others, and where we get our information. 30 years ago, the main way to communicate information to the church was through a paper newsletter and bulletin. With the changes of the last few decades, we now have a website, texting, email, Facebook and Instagram posts.

Over the next few months, much of our communications will move to electronic means. However, you will still be able to get paper copies if you want!

Over the past couple weeks, we have started sending texts out through a designated text number from Peace – 833-273-1654 – please add this to your Peace Lutheran contact on your phone. There will always be an opportunity to stop receiving texts simply by replying “STOP” when you receive a message. We promise that we are not trying to overload you with texts, simply letting you know about things coming up. We will also be more easily able to send texts to a specific group of people, such as ReFUEL parents.

If you did not receive any texts from us and would like to, simple text us your name and number to 833-273-1654, and we will get you set up!

In the future, you will also see changes to how we email, our bulletins, our website, and our newsletter all to be able to better communicate with the people of Peace in the most effective way possible.

Also, please mark your calendars for May 5th after the 9:00 am service, and May 11th after the 5:00 pm service to learn more about the technologies that are offered at Peace, from the website, to the online church directory, to online giving, we will have people there to help you get connected in what every way you wish!
