

Today's Bible reading tells us about who we are and more about who God is. When we learn more about who God is, we learn more about who we are because God made us to be like Him!

*Read 1 John 2:12-17 NLT is included in this but you are welcome to read whatever version you would like. **Please note, you will also need paper and things to write/draw with.***

Some things you heard about who you are from our reading are these things: you are God's child, your sins are forgiven through Jesus, you know Jesus, you won your battle against the evil one, you know the Father, you are strong in faith, and God's Word lives in your hearts. Take a piece of paper and draw yourself. With your drawing, either draw what you think those statements about you look like or write them next to your picture to remind you of who you are. *Every family member should do this so that you can all be reminded of who you are in Christ!*

Now that we know more about who we are, let's talk about who God is and what He does for us: God has adopted you, Jesus existed from the beginning, God helps you to beat sin and the devil, God gives you His Word, God gives us eternal life. Take another piece of paper and draw what you think it will look like to live forever in Heaven with Jesus. *Every family member should do this so that you can all be reminded of our new life in Christ and the eternal life that is waiting for us!*

Prayer: Heavenly Father, I thank you for teaching me more about who I am and who you are! Thank you for giving me your Word so I can learn about you every day. Help me to always be reminded of who you have made me to be! That You have made me to be strong in faith and Your child. It's in Jesus' name I pray, Amen.
